## LUKE 2:1-20

One must see Jesus Christ and experience the power of His presence, feel His compassion, appreciate His miracles, His teaching, His sacrifice for our sins and His triumphant resurrection from death. This is what leads people to repentance and faith...

## PRACTICAL WORK

- Carefully read the Bible passages mentioned underneath each picture in this guide.
- Explain the pictures and the story of Jesus Christ to your family and friends, or any group. You might ask first what they think the picture portrays.
- Below write down the names of the people you have taught using this Guide:

# JESUS CALLS YOU

*Come to me all you who labor  
and are heavy laden, and I will  
give you rest.*

(Matthew 11:28-30)

## HOW TO USE THIS GUIDE TO WITNESS ABOUT CHRIST

The pictures illustrate the life of the Lord Jesus Christ. Show the first picture to a friend, and ask him: “What do you see here?” Let him answer. This opens a conversation about Christ. Teach him the stories that go with all the pictures. You must know these Bible stories well.

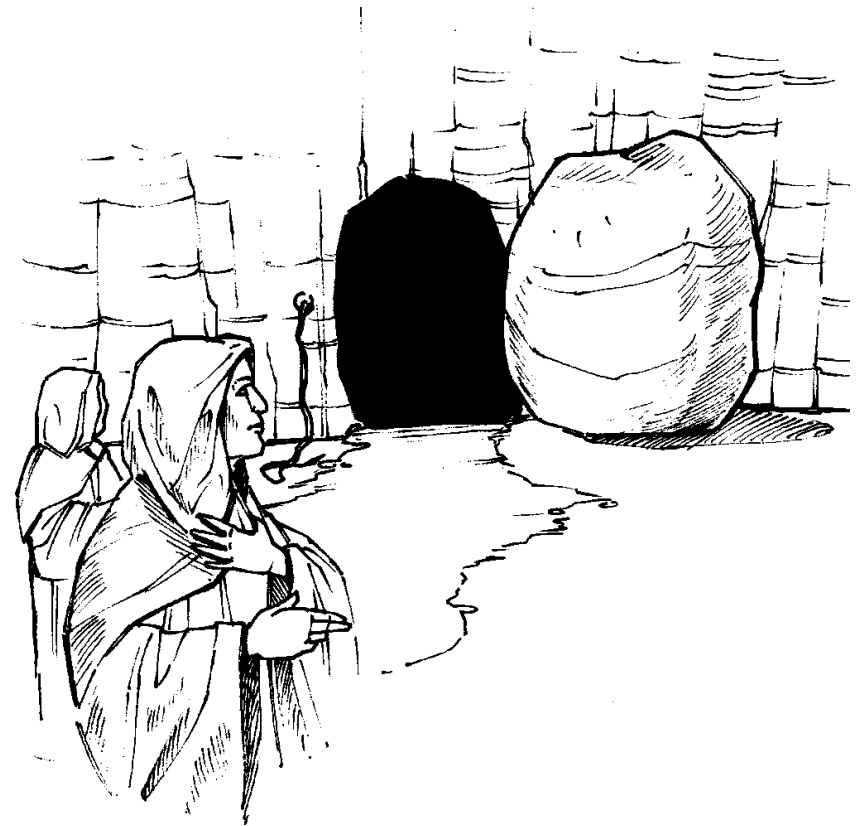

The Good News that God’s Spirit uses is the historical fact of the life, death and resurrection of Jesus Christ. Tell stories from the Gospels, about Jesus and His teaching. It’s no use arguing about abstract truths of theology, until people know Christ Himself. God commands us to repent and commit our lives to serve Jesus Christ.
